DETAILS

After Tyler missed work and was unreachable for nearly two weeks, a coworker contacted his family on June 24, leading to a welfare check and missing-person investigation. On June 15, 2026, his truck was captured by multiple Flock cameras through Indianapolis before turning toward Morgan County. The last known probable sighting was at 4:36 AM on SR 67 at the Morgan County line. On June 17, 2026, his phone last pinged within an approximate 3-5 mile radius near Hollybrook Road, Gosport.
