DETAILS

Ella was last seen around 11 p.m. on Saturday, February 3, 2024, at her family's home in Muncie Indiana. Her family says it seemed like a regular night. Family was visiting, they ordered dinner & stayed up late, & Ella gave hugs before bed. The next morning, she was gone.

She was last seen wearing a gray hoodie / jacket with "Washington D.C." on the front & black pajama pants with puzzle pieces. She has braces. Police have said she has possible ties to Indianapolis, Connersville & the Auburn/Garrett area.

Ella loves the color teal, plays violin & reads Harry Potter. Her family has not heard from her since & fears she may be in danger. Someone has to know something.
